

Grand List

Incorrect Housesite Warning

The following window may appear when you choose to do anything within the Grand List module. This warning is to let you know when Housesite Data may be incorrect. When this appears; you should print the report, cancel out, and make appropriate corrections.

After you choose “OK” the following window will appear:

- 1. PreView:** Click this button to preview. Refer to GENERAL PREVIEW for more information.
- 2. Print:** Click this button to print. Refer to GENERAL PRINTING for more information.
- 3. Print Compressed:** Click this button to print the report. This is different from the “Print” option in that it will use less paper for the same report.
- 4. File:** Click this button to save on this computer. Refer to GENERAL FILE for more information.
- 5. Cancel:** Click “Cancel” to cancel and return to the previous screen.

After you choose an output option, the following window will appear:

Grand List
