- 1. Add:** Click this button to add a new Permit. The dropdown list from item **3** will automatically open for you to select the type of Permit to add.
- 2. Edit:** Click this button to edit an existing Permit. The dropdown list from item **3** will automatically open for you to select the type of Permit to edit.
- 3. Type:** This dropdown list shows the various types of Permits.
- 4. cClose:** Click this button to close this window without saving anything.

Planning/Zoning

The “General” tab

1. Parcel num:

If you chose to add a new Permit, either enter the Parcel number that you wish to add a Permit to, or click the “Find” button to locate the Parcel from a list. If this is the first Permit for this Parcel, you will need to choose the “Grand List” option next to “Lookup Data File” in the lookup window.

If you chose to edit a Permit, enter the Parcel number for the Permit you are looking for. Click the “Find” button to locate the Parcel number from a list.

2. Permit num:

If you chose to add a new Permit, enter the new Permit number for the Parcel you selected.

If you chose to edit a Permit, you may enter the Permit number that you are looking for, then click “Find” and select the Permit from a list.

Planning/Zoning

3. Hearing num:

If you chose to add a new Permit, enter the Hearing number for the Permit.

If you chose to edit a Permit, you may enter the Hearing number for the Permit that you are looking for, then click “Find” and select the Permit from a list.

4. Street #/Suffix: Enter the street number, or street suffix, for the Parcel location.

5. Street name: Select the street name for the Parcel location from the dropdown list.

6. Apt number: Enter the Apartment number for the Parcel location (if applicable).

7. Add'l Location: Enter any Additional location information here.

8. Applicant: Select the person applying for the application from the dropdown list. If this is a new applicant, then enter the person’s Name here.

9. Address: Enter the address of the Applicant.

10. City/State/Zip: Enter the City, State, and Zip Code of the Applicant.

11. Telephone: Enter the telephone number of the Applicant.

12. Owner: Enter the owner’s name for this Parcel. If this is a new owner, then enter the owner’s Name here. This field will automatically populate if you chose the “Grand List” option next to “Lookup Data File” in the lookup window for item **1**.

13. Address: Enter the owner’s address for this Parcel. This field will automatically populate if you chose the “Grand List” option next to “Lookup Data File” in the lookup window for item **1**.

14. City/State/Zip: Enter the owner’s City, State, and Zip Code. These fields will automatically populate if you chose the “Grand List” option next to “Lookup Data File” in the lookup window for item **1**.

15. Telephone: Enter the owner’s telephone number.

16. Application date: Enter the date that the Permit was Applied for.

17. Application fee: If a fee was charged for the Application, enter the amount here.

18. Book: Enter the Land Records book number that this Parcel can be found in.

19. Pages: Enter the Page numbers within the Land Records book that this Parcel can be found on.

Planning/Zoning

- 20. Decision:** Select what decision has been made on this Permit.
- 21. Decision date:** Enter the date that the decision was made.
- 22. Hearing/Appeal requested on:** Enter the date that the Hearing or Appeal was requested on.
- 23. Decision:** Select what decision has been made on the Hearing/Appeal request.
- 24. Hearing/appeal decision date:** Enter the date that the decision was made on the Hearing/Appeal request.
- 25. Appealed to court?:** Click to check this box if the Permit was Appealed to a court.
- 26. Appealed to court date:** Enter the date that the Permit was Appealed to a court. This is the date that the court actually heard the Appeal, not the date that it was decided for the court to hear the Appeal.
- 27. Occupancy decision:** Select what decision has been made on the Occupancy of this Permit.
- 28. Occupancy decision date:** Enter the date that the Occupancy decision was made.
- 29. Save:** Click “Save” to save this Permit and return to the Permit Maintenance screen.
- 30. Cancel:** Click “Cancel” to cancel and return to the Permit Maintenance screen.
- 31. cLose:** Click “cLose” to close Permit Maintenance without saving.

Planning/Zoning

The “Notes and Images” tab

Note: The “Specific” tab is discussed after the “Miscellaneous” tab in this document.

The screenshot shows a software window titled "Access permit data entry" with a blue title bar. It has four tabs: "General", "Specific", "Notes and Images" (which is selected and highlighted with a dotted border), and "Miscellaneous". Below the tabs are two input fields: "PLAT image file" with a "Find" button next to it, and "Other image file" with a "Find" button next to it. The "PLAT image file" field contains the number "1" and the "Other image file" field contains the number "2". Below these fields is a large text area for notes, labeled "Notes and general information for this permit" on the left. This area contains the number "3". At the bottom of the window are three buttons: "Save" (labeled "4"), "Cancel" (labeled "5"), and "cLose" (labeled "6").

- 1. PLAT image file:** Click “Find” to locate the PLAT image file using a windows lookup window.
- 2. Other image file:** Click “Find” to locate an Other image file using a windows lookup window.
- 3. Notes:** Enter any notes or general information for this Permit. Try to be consistent in the use of this field.
- 4. Save:** Click “Save” to save this Permit and return to the Permit Maintenance screen.
- 5. Cancel:** Click “Cancel” to cancel and return to the Permit Maintenance screen.
- 6. cLose:** Click “cLose” to close Permit Maintenance without saving.

Planning/Zoning

The “Miscellaneous” tab

The screenshot shows a software window titled "Access permit data entry" with a "FUND" icon in the top-left corner. The window has four tabs: "General", "Specific", "Notes and Images", and "Miscellaneous". The "Miscellaneous" tab is selected. The window is divided into three main sections, each enclosed in a red box and numbered:

- 1 Alphanumeric information:** A list of text input fields: BCONTACT, BCPHONE, BLICENSE, PDESCRIP1, PDESCRIP2, PDESCRIP3, PDESCRIP4, REFND/FR/C, and ORG_TYPE.
- 2 Numeric information only:** A list of numeric input fields: INS_FEE (0.00), REG_FEE (0.00), FINE-VIOL. (0.00), REC. FEE (0.00), and WW. RATE (0.00).
- 3 Date information only:** A list of date input fields: REINSPECT (//), CLOSEOUT (//), COC EXPIRE (//), COF EXPIRE (//), and ZCO EXPIRE (//).

At the bottom of the window, there are three buttons: "Save" (labeled 4), "Cancel" (labeled 5), and "cLose" (labeled 6).

- 1. Alphanumeric information:** Enter any alphanumeric information for this Permit. These fields are defined in “I. Installation Options.”
- 2. Numeric information only:** Enter any numeric information for this Permit. These fields are defined in “I. Installation Options.”
- 3. Date information only:** Enter any date information for this Permit. These fields are defined in “I. Installation Options.”
- 4. Save:** Click “Save” to save this Permit and return to the Permit Maintenance screen.
- 5. Cancel:** Click “Cancel” to cancel and return to the Permit Maintenance screen.
- 6. cLose:** Click “cLose” to close Permit Maintenance without saving.

Planning/Zoning

The “Specific” tab

Each type of Permit has its own “Specific” tab. Each type is discussed below.

Access

The screenshot shows a software window titled "Access permit data entry" with a "FUND" logo in the top-left corner. The window has four tabs: "General", "Specific" (which is selected and highlighted with a dotted border), "Notes and Images", and "Miscellaneous". The "Specific" tab contains the following fields and controls:

- Description of permit:** Two text input fields, both containing the number "1". A red "1" is placed to the left of the first field.
- PLAT exists:** A checkbox that is currently unchecked. A red "2" is placed below it.
- Acres in parcel:** A numeric spinner control showing "0.00". A red "3" is placed below it.
- Proposed use:** A dropdown menu that is currently empty. A red "4" is placed below it.

At the bottom of the window, there are three buttons: "Save" (with a red "5" below it), "Cancel" (with a red "6" below it), and "cLose" (with a red "7" below it).

- 1. Description of permit:** Enter the description for the Permit using these fields.
- 2. PLAT exists:** Click to check this box if the PLAT does exist for this Permit.
- 3. Acres in parcel:** Enter the number of Acres in this Parcel.
- 4. Proposed use:** Select the proposed use for this Parcel from the dropdown list.
- 5. Save:** Click “Save” to save this Permit and return to the Permit Maintenance screen.
- 6. Cancel:** Click “Cancel” to cancel and return to the Permit Maintenance screen.
- 7. cLose:** Click “cLose” to close Permit Maintenance without saving.
