

Barcode Setup

Client needs the laminated WDP Reader Setup Menu. If they do not have it they can print it to a laser / inkjet printer from the following web site. Note they will need acrobat reader in order to read this document.

Barcodehq.com/menus/uswdpset.pdf

After each swipe you should hear the barcode wand beep. If you do not hear the beep scan the barcode until it does.

1. Start Setup

2. 2 of 5 code

3. 0 (Barpad Table)

4. 2 of 5 code

5. 2 (Barpad Table)
